

We
GUARANTEE
To Match or **Beat**
COMPETITOR PRICES

You're looking for the best rate and savings you can find for your company's workers' compensation premiums - That's our specialty. We will find the best rate available

for your business and add to that our personalized service that keeps more than 95% of our clients returning each year to our programs.

When you join the **Mid-America Jewelers Association** program, you can reach the highest potential discount - up to BWC's current allowed maximum off premiums - through our multiple savings tiers. And Frank Gates offers competitive fees, assuring you the highest value.

About Frank Gates

Frank Gates is a consultative third party administrator, offering a powerful combination of personalized service, experience, proactive claims management and stability.

As Ohio's longest-operating TPA with a growing national presence, Frank Gates will expertly manage your workers' comp program, seeking all sources of premium relief, including alternate BWC programs. They can customize a cost-effective action plan for you.
